Smart Basin with Half Pedestal

A product by Zilver

Item Code : **SPDB202**

Description:

INNER BOWL is the area available to users to wash their hands/face with minimum water drops spread around and avoid surroundings to get wet.

Washbasin is designed to drain water, spread around during washing.

Consequently, more bigger the bowl, more comfortable for users to wash hands/face.

Available In White

Wall Mounting.

Size: 647 x 534 x 508 mm

Single tap hole.

Fixing with back to wall.
